5 Investment choices – to be completed by the guardian

5.1 About investing the contributions

Once we hold the money in cash, we will follow the investment instructions below. If you want to invest in exchange-traded investments (ETIs), you can do this online once the money is in the account.

Need help choosing investments? We offer a wide range of investment options for personal pensions. If you don't know where to start and need some support, there's Retirement Builder - a single fund idea for pensions. Information about Retirement Builder is available alongside this form. All our investment options are available to view on our website: fidelity.co.uk/sipp-investments. The investment choices below will also be used to invest any existing regular contributions made into this account.

IMPORTANT: Please ensure you include the **fund code** as the fund choice will be derived from the fund code and not the fund name. These can be found on each fund fact sheet at fidelity.co.uk

Should any of the new funds pay income, then income payments will be automatically reinvested on the account.
